

Chiara Bellini

Operations Specialist | Supply Chain Technology

(215) 483-2691 | chiara.bellini@email.com | Philadelphia, PA

EXPERIENCE

Operations Coordinator, Logistix Solutions | Philadelphia, PA | March 2024 – Present

- Support warehouse management system improvements; contributed to automation module handling 12,000+ daily SKU movements
- Tested and documented integration between legacy inventory database and new LLM-powered demand forecasting tool; identified 3 critical data mapping issues before production rollout
- Collaborate with supply chain team to validate order allocation logic; flagged edge cases in carrier routing system
- Assist with quarterly performance reporting for 8 distribution centers using Python scripts for data aggregation

Fulfillment Associate, Cornerstone Logistics | Philadelphia, PA | June 2023 – February 2024

- Managed receiving and QC for 50+ daily shipments across cross-dock facility
- Participated in pilot program testing AI-driven package scanning system; provided feedback on labeling accuracy improvements
- Coordinated with carriers and warehouse supervisors to resolve shipping discrepancies
- Maintained 99.2% inventory accuracy across assigned zones

SKILLS

- Inventory management systems (NetFlow WMS, SAP basics)
- Data analysis: Excel, Python (pandas, basic scripting)
- Logistics APIs: REST fundamentals, JSON troubleshooting
- Process documentation, cross-functional communication

EDUCATION

B.S. Supply Chain Management, Drexel University, 2023
